Militia Retreats as Moors Move on Strategic Town 40 Miles from Madrid

ALCAZAR FIGHT CONTINUES

Attackers Form Bombing Squads in New Effort to Drive Fascists from Fort

By The Associated Press Government militiamen retreated today before a relentless charge of Moroccan legionnaires on Maqueda vital highway junction 40 miles from Madrid

Thousands of other government soldiers meanwhile organized into bombing squads surrounded the shell leveled alcazar in Toledo for a decisive assault on the insurgents besieged in the ruins of the fortified palace

The disciplined well drilled Moors recruited to the insurgent ranks from Spanish Morocco drove forward half way from Talavera de la Reina to Maqueda behind a shield of machine gun bullets which left bodies of government troops in their war torn path

Government bombing planes sought in vain to scatter the advancing Fascist but met with the usual waste of the work of the much of a driving rain Gen. Jose Asensio commander of all government troops to central Spain ordered his entrenched men to dig in and wait for a government reserve to their backs to await orders

Despite the explosion of two one-ton dynamite mines which crumpled the stone and mortar walls of the alcazar into a powder debris the insurgent sent a steady stream of machine gun bullets and grenades from behind their shattered walls Government commandos advanced at their own risk and were killed in their own ranks ordered to no quarter infantry combat

Insurgents in the most recent captured Alcazar 17 miles from San Sebastian in a vicious drive toward Bilbao diplomatic dis

TWO BROTHERS DROWN EAST OF MT. GILEAD

One Tries To Save Other and Both Go Down, Rescue Efforts Futile

BODIES LATER RECOVERED

Youths Had Been Warned There Was No Lifeguard on Duty at Lake

Special to The Star MT GILEAD O Sept 21-Two brothers both put in the night at the high school south of Mt. Gilead in Morrow county were drowned yesterday a few miles after they had started to swim in a lake near the town of Mt. Gilead

The deal was Benjamin Weaver 13 and Milton Weaver 13 sons of Mr. and Mrs. Cliff Weaver of near Gilead

A short time after they had eaten their noonday meal the boys and their father went to the lake where they were told by R. W. Wright of Warrensville that there was no lifeguard on duty and that they would be swimming at their own risk

Boys Were Warned Mr. Wright said yesterday that after he had warned the boys he followed them to the lake and asked them if they could swim the four said they could and entered the water which was cold about 40 p.m.

Alarms as soon as they started to swim the younger Weaver boy sank it was reported his brother Benjamin went to help him and was dragged down neither returning to the surface of the water

The bodies were found by Virgil Hull of Mt. Gilead one of Morrow county's expert swimmers and life savers after efforts of two others at the lake were futile Mr. Hull applied artificial respiration methods for nearly half an hour but efforts to revive the two boys were futile

Rescue Efforts Fail When the boys sank Jack Phil Lips 14 son of Mr. and Mrs. M. Phillips of Mt. Gilead who was staying at his father's cottage at the lake rowed out to the spot where the boys had gone down and dived four or five times for them but came up the last time too exhausted to try again or to swim

Carl Gordon who had driven to the lake soon after the boys went into the water also attempted to find the bodies but was unsuccessful in several dives In the mean time Mr. Hull had been called and when he arrived located the bodies and brought them to the surface within the space of a few minutes

The bodies were not under water more than 45 minutes when rescued Mr. Weaver also told investigators that they had heard the lake owner warn the boys that they were entering the water at their own risk

Job Holders Asked To Aid Plant Drive

All Employed Persons To Be Solicited for Contributions

Every job holder in Marion is to be asked for a contribution in the Chamber of Commerce drive for \$50,000 to locate in Marion the plant of the Defiance Pressed Steel Co. It was announced this morning at campaign headquarters

Details of the employee phase of the drive were to be set up today and announced tomorrow at the Tuesday night luncheon to be held in Hotel Harding in connection with the Rotary club meeting

A. J. Berry and F. J. Schoenlaub joint chairmen of the campaign committee emphasized this morning that the drive total is still about \$20,000 short of the \$50,000 goal and that nearly all of the large contributions of business concerns and big individual givers have been received

It remains for the employees and individual real estate owners to help put the drive total up to \$50,000 because every individual in Marion will be benefited by the transfer of the plant to Marion they pointed out

Chairmen of the soliciting groups met at the Chamber of Commerce office this morning to plan further details of their work Workers again voiced a desire to finish the drive as quickly as possible even though the Chamber has until Oct. 1 to reach its goal

WEEK'S SALES TAX TOTAL RUNS HIGH

Sales tax stamp sales in Marion county last week amounted to \$9,071.95 an increase of \$3,105.68 over the total of \$5,966.27 of the previous week according to a report today from the office of County Treasurer Homer D. Cole

The increase was due largely to the fact Treasurer Cole said that last Monday sales reached \$4,013.56 the highest single day's business since the sale tax became effective and that a holiday occurred in the previous week

Hundreds of persons visited the Marion county fair grounds today and today as workers and exhibitors set the stage for the fair the grounds reached the crowded condition which was expected to begin Tuesday and continue through Saturday

Today's activities all were the fair exhibitors' displays of farm produce and exhibits of farm machinery and other displays of merchandise

A dozen concession stands had been set up to catch the trade of the exhibitors and other workers on the grounds yesterday and today's first concession men reached the grounds Saturday

There was a last minute rush of exhibitors to enter their displays prior to the deadline at noon today Entries were tentatively reported to be surpassing last year's record through as the deadline neared Exhibitors entered their displays at the fair office on South Main street Saturday and at the fairgrounds yesterday and this morning

Entries Run High Definite figures on the number of entries were not available but fair officials agreed the turnout is unusually heavy Weather conditions have been favorable to crops encouraging produce exhibitors and farmers have been able to arrange their work this year in a way that

Driver Claims Safety Record in 31 Years

Marion County Man Estimates He Has Driven One Million Miles

Records of most careful drivers prove that of a Marion county resident who has driven at least 1,000,000 miles in 31 years and never has had an accident or a traffic violation ticket

It is Maurice J. Carey 48 of 10 miles west of Marion on the Agosta road and his record among Marion county drivers came to light this morning when he applied for his drivers license at the Marion Auto club

Since April of 1905 when he drove his first car a one cylinder Ford Model T he has driven in every state in the United States and in Canada Cuba England France Germany Belgium Switzerland and Italy

He has driven custom built Italian English and French cars using cars custom built cars of United States manufacture but never a military truck and today he drives 180 miles daily covering a circuit route that takes him in a Marion Wyandor Harding Union Delaware and Crawford counties

Started in 1905 The remarkable record began in April of 1905 when Mr. Carey's shop employee in Philadelphia was called to repair the car of a wealthy man who had purchased one of the sensational new gun oiler barges and the vehicle refused to respond to the drivers' hurried efforts to make it run Mr. Carey repaired the car and drove it for the owner for several weeks

In the intervening 31 years he has chauffeured for well-to-do families been test car driver for automobile factories driven for automobile distributors giving the final decision on whether cars were ready for service about four for a party driving through Europe mechanic with the U. S.

MURPHY ASKS WORLD PEACE

Commander Says U S Will Never Start War but Cannot Dismantle at Present

EYES FUTURE WITH GLOOM

Believes Last Great Conflict Was Just Beginning of Series That May End Race

By The Associated Press CLEVELAND O Sept 21-National Commander Ray Murphy today a plea for universal peace today as thousands of unemployed World War veterans gathered here in an international situation that may fill the stoutest heart with concern

It is a tragic thought that the war in 1917 and 1918 was in truth the awful beginning of a series of conflicts that may end only when the world no longer has the will to live

Walter Benjamin Liberty Newton D. Butler World was the secretary of war hailed American Legion as the guardian of American principles of liberty in an international situation that may fill the stoutest heart with concern

To thousands of Legionnaires in colorful uniforms Murphy described the line of strange philosophies in other countries of the world and said you will find your fellow citizens looking more and more to you for guidance

The attention in the world at this time is on the fact that the world is in a state of confusion and that the world is in a state of confusion and that the world is in a state of confusion

There is a serious situation on the face of the earth at this time that is not fearful of a renewal of conflict

If the American Legion has one mission as another it is to see that the principles of liberty of individual liberty is not sacrificed in deference to any political party

The military blue of uniforms and the lively heat of drums echoed through Cleveland's public hall as the assembly pulled in

The addition was with a capacity of nearly 17,000 filled tonight

In front row section of the vast hall which was the scene of the Republican Township and Coughlin convention were the bronzed delegates from Hawaii their necks adorned with the traditional leis of the islands I thank them were

Dr. Altmayer is selected to fill only the office of the pension board. The board members are Dr. J. L. Brady, Mrs. John T. McNamee, Mrs. J. H. Wirtz and Fred Hays. They are members of the board. Dr. Altmayer is chairman of the Marion county Democratic central and executive committee and is fifth district member of the Democratic State central committee.

## MURPHY ASKS PEACE AT LEGION CONCLAVE

(Continued from Page One)

representative of the 11 divisions of the American Legion. Murphy, who is a member of the Marion legion, reported the results of the auxiliary at the 42nd annual convention. He stated that the auxiliary is the largest in the world and has a membership of 1,000,000.

Restating the theme of world peace, Murphy said that the next session of congress will enact legislation for taking the profit out of war. He also stated that the auxiliary is the largest in the world and has a membership of 1,000,000.

Chaplain Gives Invocation After the call to order, Rev. Thomas D. Kennedy, national chaplain, delivered the invocation and Murphy then called upon Gov. Martin L. Davey of Ohio for the first address.

Gov. Davey, after a few phrases of greeting, launched into an attack on the veterans of future wars which he described as an organization of university students designed to make a mockery of the things you fought for.

Milton Campbell, Ohio department commander, said: "We welcome you to Marion. We want you to have a good time and when you go home we want you to be singing the praises of the Buckeye state. I ask that you remember that southern boys pitifully does not stop at the Ohio river."

With campaigning for the position of national commander gathered momentum after a night of state convocations, the first item on today's program was a solemn tribute to the war dead while a delegation in Arlington cemetery hundreds of miles away laid a wreath on the tomb of the unknown soldier.

Baker To Speak, Too Addressing the former secretary of war, Newton D. Baker, and N. Victor Beauregard, representing French veterans, also were slated.

In protection maneuvering for the command, Harry W. Colmery, Topeka, Kansas attorney, claimed a slight advantage in a probably three-way fight.

Colmery's headquarters said he had a minimum of 320 pledged votes as the result of state convocations with about 600 votes required for election. They claimed Ohio's 55 votes.

Optimistic of his own chances, Quimby, Marion, Griffin, Ga., newspaper publisher, declared:

"They can talk about it being all over but I'm in there until the last vote is counted."

Ray Kelly, of Detroit, remaining member of the big three, said: "I am an active candidate this year but if delegations already have pledged their support I hope for next year."

Wants To Head 40 at 8 Harry E. Ransom, of Milwaukee, unopposed to succeed Fred M. Feuckler of Seattle as head of the 40 at 8 Legion honor organization, said he would give his right arm for the job.

New York Montross and Los Angeles were contending for the 1937 convention.

Second Assistant Fire Chief Joseph F. Sweeney estimated damage to the hotel at \$500. Patrolman Richard Barker notified by passers by who saw smoke coming from the second floor went from room to room to rouse the occupants.

Ohio Delegates Favor Kansas CLEVELAND, Sept. 21—Fifty-two of Ohio's 55 delegates were pledged to Harry W. Colmery of Topeka, Kan., in the three-way fight for the national commander ship as the American Legion opened its 18th annual national convention today.

At the same time the Ohio department urged Rev. David Scott, a Methodist Episcopal minister of Canton, O., as its candidate for national chaplain.

# Harding, Delaware Open Grid Year With Scoreless Tie

## 600 FANS SEE GAME ON FIELD OF WILLIS HIGH SCHOOL TEAM

Marion Player Near Goal Posts Several Times; Line Withstands Attacks.

By CHARLES HENDERSON  
Marion Star Sports Writer  
Harding, Pa., Sept. 21.—The football team, opened its 1933 season at 10:30 p.m. Saturday afternoon, by beating a strong Willis High eleven in a scoreless deadlock.

The Red and Blue squads played with the shadow of DeWitt's goal posts on several occasions but even then the Willis High squad did not invade the end zone.

Harding's line demonstrated its stability when it stopped the opposing ball carriers. It showed within five yards of the goal line. After a recovered fumble, the Willis High team possessed the ball in the end zone.

The game was the season's inaugural for both teams and a crowd estimated at nearly 600 persons witnessed the contest. Several hundred Marion fans followed the Harding team to Delaware.

The Willis High school band was on hand during the game, presenting an excellent marching display at half time.

## WINGBACKS A PRIMER OF THE WARNER SYSTEM

Claude L. (Tiny) Thornhill (right) learned about wingbacks from Pop Warner (left), first as a player at the University of Pittsburgh, then as assistant to the old master. Thornhill's Standard eleven was on field for the Pacific coast grid title in 1933.

Register Long Gains  
Capt. Forrest Shattuck, Johnny Williams, Julius Chizmar and Charles Caputo, backfield men of Coach Carl Crumpler's eleven, all registered long gains when they successfully avoided Capt. Vandervort and Steve Mendenhall, stars of the Willis team. Harding's passing attack failed to click with the defense and the aerial attempt failed ground when the Willis backfield broke through to halt the passer.

Marion's first big chance came in the second period when Willis was held for downs within its own 20-yard zone. Capt. Vandervort dropped back to punt and the pass from center went over his head. He recovered but was tackled on his own five-yard line. The play, however, was called back to its original position when Harding was ruled offside.

A third quarter opportunity was presented when Flick, Marion center, intercepted a Delaware pass on Harding's 30-yard line. Flick laterated to Chizmar, who broke away from the Willis tacklers and made his way along the opposite side of the field. Toss Mendenhall, the Delaware colored star, picked him up from the rear as he reached the Delaware 22-yard stripe.

Marion squatted to a final-quarter drive and penetrated deep into scoring territory near the comple-

## STEAM SHOVEL TEAM SCORES 12 TO 10 WIN AGAINST CARDINGTON

Crowd of 500 Sees Marion Nine Add 22nd Victory of Season to Record

Marion Steam Shovel A. A. A. baseball club stepped out to win over the Cardington Minutemen, 12 to 10, at Lincoln park yesterday afternoon. The game was the last of the season's twenty-second victory out of 29 games this season.

Before a crowd estimated at over 500 persons, the Steam Shovel pounded out four runs when they netted the victory. Four runs in each of the first three innings gave Marion a 12 to 3 lead at the start of the fourth frame and an advantage that accounted for the victory.

Griffith, Marion catcher, was the leading hitter of the winning team, getting three singles in four trips to the plate, while McArthur, Marshall and VanVleet each accounted for two safe hits.

Edgington led the losing team in batting, collecting three singles, one of them a home-run. Calbert, Cardington leftfielder, also accounted for three safe hits. The box score follows:
